

BioQuant symposium

- 12.30-13.00 Arrival
- 13.00-13.15 Rob Russell Welcome
- 13.15-13.45 Patrick Aloy, IRB Barcelona
Exploiting small molecule bioactivity data
- 13.45-14.15 Alex Stark, IMP Vienna
Decoding transcriptional regulation
- 14.15-14.45 Olga Kalinina, MPI Saarbrücken
Frequent subgraph miming for analysis of biological molecules
- 14.45-15.15 Coffee break
- 15.15-15.45 Rune Linding, BRIC Copenhagen
Multi-scale Network Biology - Telling cancer to kiss arse
- 15.45-16.15 Evangelia Petsalaki, EBI UK
Studies of context-specific signalling
- 16.15-16.45 Francesco Raimondi, Heidelberg University
Leveraging protein structures and mechanisms for more personalized therapies
- 16.45-17.00 Rob Russell

Saturday, October 06, 2018, 1:00 PM
BioQuant, Im Neuenheimer Feld 267
Lecture Room 041, Ground Floor
